This document tells about the changes to your plan. To get more information about costs, benefits, or rules please review the *Evidence of Coverage*, which is located on our website at www.wellcare.com/allwellOH. You may also call Member Services to ask us to mail you an *Evidence of Coverage*.

What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - Review the changes to Medical care costs (doctor, hospital).
 - Review the changes to our drug coverage, including authorization requirements and costs.
 - Think about how much you will spend on premiums, deductibles, and cost sharing.
- Check the changes in the 2023 Drug List to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies will be in our network next year.
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your *Medicare & You 2023* handbook.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

3. CHOOSE: Decide whether you want to change your plan

- If you don't join another plan by December 7, 2022, you will stay in Wellcare Dual Access (HMO D-SNP).

- To **change to a different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2023**. This will end your enrollment with Wellcare Dual Access (HMO D-SNP).
- Look in Section 2.2, page 13 to learn more about your choices.
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

Monthly premium (You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)	\$0	\$0

Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay “out-of-pocket” for the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2022 (this year)	2023 (next year)
Maximum out-of-pocket amount Because our members also get assistance from Medicaid, very few members ever reach this out-of-pocket maximum. You are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services. Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount. Your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	\$3,450	\$8,300 Once you have paid \$8,300 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.

Section 1.5 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

Changes to Prescription Drug Costs

There are four “drug payment stages.”

The information below shows the changes to the first two stages – the Yearly Deductible Stage and the

Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Changes to the Deductible Stage

Stage	2022 (this year)	2023 (next year)
<p>Stage 1: Yearly Deductible Stage</p>	<p>The deductible is \$480.</p> <p>During this stage, you pay \$0 cost sharing for drugs on Tier 1: Preferred Generic Drugs and \$0 cost sharing for drugs on Tier 6: Select Care Drugs and the full cost of drugs on Tier 2: Generic Drugs, Tier 3: Preferred Brand Drugs, Tier 4: Non-Preferred Drugs, and Tier 5: Specialty Tier until you have reached the yearly deductible.</p> <p>Your deductible amount is either \$0 or \$99, depending on the level of “Extra Help” you receive. (Look at the separate insert, the “LIS Rider,” for your deductible amount.)</p>	<p>Because we have no deductible, this payment stage does not apply to you.</p>

Changes to Your Cost Sharing in the Initial Coverage Stage

Stage	2022 (this year)	2023 (next year)
<p>Stage 2: Initial Coverage Stage</p> <p>During this stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost.</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>Drug Tier 1 - Preferred Generic Drugs: You pay a \$0 copay per prescription.</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>You pay a \$0 copay per prescription for all covered Part D drugs.</p>

Stage	2022 (this year)	2023 (next year)
<p>Stage 2: Initial Coverage Stage (continued)</p> <p>Drug Tier 2 - Generic Drugs: You pay a \$9 copay per prescription.</p> <p>Drug Tier 3 - Preferred Brand Drugs: You pay a \$40 copay per prescription.</p> <p>Drug Tier 4 - Non-Preferred Drugs: You pay 50% of the total cost.</p> <p>Drug Tier 5 - Specialty Tier: You pay 25% of the total cost.</p> <p>Drug Tier 6 - Select Care Drugs: You pay a \$0 copay per prescription.</p> <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost sharing. For information about the costs for a long-term supply or for mail-order prescriptions, look in Chapter 6 of your Evidence of Coverage.</p> <p>We changed the tier for some of the drugs on our Drug List. To see if your drugs will be in a different tier, look them up on the Drug List.</p>	<p>_____</p> <p>Once your total drug costs have reached \$4,430, you will move to the next stage (the Coverage Gap Stage).</p>	<p>_____</p> <p>Once your total drug costs have reached \$4,660, you will move to the next stage (the Coverage Gap Stage).</p>

Changes to your VBID Part D Benefit

Medicare approved Wellcare to provide lower copayments/co-insurance as part of the Value-Based

Insurance Design program. This program lets Medicare try new ways to improve Medicare Advantage plans. For more information about VBID benefits, please contact Member Services.

Description	2022 (this year)	2023 (next year)
Part D Cost-sharing Elimination	Part D cost-sharing elimination is <u>not</u> offered.	Because you qualify for Part D cost-sharing elimination, you pay nothing for all covered Part D drugs.

SECTION 2 Deciding Which Plan to Choose

Section 2.1 – If you want to stay in Wellcare Dual Access (HMO D-SNP)

To stay in our plan, you don’t need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Wellcare Dual Access (HMO D-SNP).

Section 2.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2023 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- -- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

Step 2: Change your coverage

- **To change to a different Medicare health plan,** enroll in the new plan. You will automatically be disenrolled from Wellcare Dual Access (HMO D-SNP).
- **To change to Original Medicare with a prescription drug plan,** enroll in the new drug plan. You will automatically be disenrolled from Wellcare Dual Access (HMO D-SNP).
- **To change to Original Medicare without a prescription drug plan,** you must either:
 - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.

- – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

SECTION 3 Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 4 Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Ohio, the SHIP is called Ohio Senior Health Insurance Information Program (OSHIIP).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Ohio Senior Health Insurance Information Program (OSHIIP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Ohio Senior Health Insurance Information Program (OSHIIP) at 1-800-686-1578 (TTY users should call 1-614-644-3745). You can learn more about Ohio Senior Health Insurance Information Program (OSHIIP) by visiting their website (<https://insurance.ohio.gov/about-us/divisions/oshiip>).

For questions about your Ohio Medicaid benefits, contact Ohio Medicaid at 1-800-324-8680 (TTY 711) 8 a.m. - 5 p.m. ET, Monday - Friday. Ask how joining another plan or returning to Original Medicare affects how you get your Ohio Medicaid coverage.

SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs.

- **“Extra Help” from Medicare.** Because you have Medicaid, you are already enrolled in “Extra Help”, also called the Low Income Subsidy. “Extra Help” pays some of your prescription drug premiums, annual deductibles and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about “Extra Help”, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
 - The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
 - Your State Medicaid Office (applications).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Ohio HIV Drug Assistance Program (OHDAP). For information on eligibility criteria, covered drugs, or how to enroll in the program, please call the Ohio HIV Drug Assistance Program (OHDAP), at 1-800-777-4775 (TTY 711) from 8 a.m. - 5 p.m. local time, Monday - Friday.
